

ON ORGANIZED BEACHES WE APPROACH THE BEACH  
IN THE SKI LINES OF THE WATERSPORTS CENTERS

..... Water Ski Lines ( boats can go in and out safe )

REMEMBER: Do not start the engine if you are in shallow water.  
Use the paddle to push into deeper water.

Never "beach" the boat.

Anchor away from the shore keeping the boat in mid-thigh to waist deep water  
and wade to shore.

30 meters  
100 feet

NEVER "beach" the boat.

# ON NOT ORGANIZED BEACHES .....

On not organised beaches you can approach the beach where there is NO swimmers keep away from swimmers and Rocky areas
